**SUBJECT: Expansion of catalogue of updated Medical Impairment Assessment (MIA) forms for assessing compensation claims under the MRCA and VEA.**

**Purpose:** To inform CBD staff of an additional eight updated MIA forms that replace the existing forms used when requesting medical evidence for the purpose of assessing compensation claims.

**Key Points:**

- The Claims Processing Improvement Division (CPID) has continued the review of existing forms and consolidated a further twenty forms. A further eight consolidated forms are now available for use.

<b>Form Ref Identifier</b>	<b>Form Name</b>	<b>GARP Chapter</b>
D9423	Mental Health Conditions	Chapter 4
D9424	Neurological Function	Chapter 5
D9425	Male Sexual Function	Chapter 10
D9426	Male Reproductive System	Chapter 10
D9427	Female Sexual Function	Chapter 10
D9428	Female Reproductive System	Chapter 10
D9429	Breast Condition(s)	Chapter 10
D9430	Cranial Nerves	Chapter 5

- The eight new consolidated MIAs are available on the [Compensation Claims Support Site under the Medical Impairment Assessment \(MIA\) tile](#) and the DVA Medical Provider webpage ([For providers | Department of Veterans' Affairs \(dva.gov.au\)](#))
- Delegates and CSOs will need to continue to manually insert the applicable form/s into the Provider Medical Appointment letter until the new forms have been uploaded into R&C ISH.
- The reference identifier for the initial seven forms have changed and are now consistent with other forms found on the DVA Medical Provider webpage.
